

Day 2 Phase 014 - Agent Zero To Hermes Planning Collaboration

Generated: 2026-05-07 23:05 EDT

Result: PARTIAL GO - planning handoff works, execution remains gated

Objective

Prove Agent Zero can delegate planning-only work to Hermes through Gateway while preventing writes and execution.

Actions Completed

- Ran authenticated Agent Zero to Hermes handoff route.
- Submitted a workflow-plan prompt for SpaceAgent research evidence review.
- Confirmed the route returned ok:true and hermes_called:true for the planning contract.
- Confirmed execution_enabled:false and writes_enabled:false.
- Confirmed audit recording was true.

Files Changed

No production source files changed in this phase. Report artifacts only.

Commands And Routes Used

- GET /api/bridge/agent-zero/hermes-handoff authenticated.
- POST /api/bridge/agent-zero/hermes-handoff authenticated.
- GET and POST unauthenticated returned 401.

Proof

```
| Check | Result |
| --- | --- |
| Handoff route | 200 authenticated |
| Planning handoff | ok:true |
| hermes_called in handoff contract | true |
| Execution | disabled |
| Writes | disabled |
| Audit | recorded |
```

Blockers

This proof is the Mission Control Agent Zero-Hermes planning contract. It does not clear the separate Hermes live test-chat blocker.

Tests

src/lib/agent-zero-hermes-collaboration.test.ts passed: 8 tests.

Services

mission-control.service active after Day 1 restart. hermes-gateway.service active. playwright-mcp.service active. No new public service exposure was introduced.

Commits

Starting Day 2 HEAD: 9f31233. Day 2 report commit pending at report generation time.

Rollback

Rollback for Day 2 report-only artifacts: revert the Day 2 documentation commit after it is created. No service configuration rollback is required because no service settings were changed.

No-Secrets Confirmation

No credential values, auth files, API keys, tokens, passwords, or environment values were printed or committed. Environment and credential checks were boolean-only. No .env file was changed.

Updated Percentage

Agent Zero to Hermes collaboration: 75% PARTIAL GO

Exact Next Step

Use this route for planning-only collaboration while the Hermes live adapter remains blocked.
